

# DINE OUT FOR JESSE'S HOUSE

Monday, February 25  
5-9pm

Piney Grove Middle School is proud to partner with Jesse's House, Forsyth County's emergency children's shelter, to establish the **Jeanne Marie Fund for Jesse's House**.

This fund will provide education and other enrichment opportunities for the girls cared for at Jesse's House, including trips to the Georgia Aquarium, outings to see plays and musical events, museum visits and more. It will also support internship opportunities for the girls, providing for transportation, clothing and other needs associated with internship work.

Jeanne Marie Cowdrey was a beloved member of the Piney Grove staff, welcoming everyone who walked through the school's front doors for many years. Jeanne Marie was also a founding board member of Jesse's House. Dedicating more than 16 years to its mission, she's been called "the heartbeat of Jesse's House." Jeanne Marie lost a courageous battle to cancer in September 2012 and creating this fund is Piney Grove's way of celebrating and honoring her memory by supporting an organization about which she was deeply passionate.

Jesse's House provides emergency care, serving as an "extended family" for young women in crisis. From basic care, housing and nutrition to tutoring to specialized individual and group counseling, the goal of Jesse's House is to provide healing and increase each girl's opportunities for future success. The Jeanne Marie Fund for Jesse's House will support opportunities for greater enrichment and achievement. For more information, visit [www.JessesHouse.org](http://www.JessesHouse.org).

These restaurant partners are generously donating a portion of their proceeds from all sales **5pm-9pm** (except where noted as Lunch Only) **on Monday, February 25**. Enjoy a meal out with family and friends and help **ENRICH A LIFE** by contributing toward the **Jeanne Marie Fund for Jesse's House**.
